

## The Vision of Woodmen Valley Chapel

**TO LAUNCH AND STRENGTHEN A FLEET OF CHRIST-FOLLOWING COMMUNITIES WHO ARE COMPASSIONATELY SAILING THROUGH A TURBULENT CULTURE TOWARD A DEEPER AMAZEMENT OF GOD'S GRACE.**

**Three Implications of Our Amazement** — Indications of the Amazement we already have, as well as catalysts for deeper amazement.

### Exploring

If we are amazed, we will Explore God's Grace through digging into Scripture and applying it to the story of our personal and corporate journey.

### Experiencing

If we are amazed, we will Experience God's Grace through acknowledging our desperation and submitting it to the forgiveness and power of His intervention through Christ, resulting in an authentic relationship with Him as well as others in community, and experiencing daily transformation as a result.

### Expressing

If we are amazed, we will Express God's Grace by fully engaging with life, worshipping on an everyday basis, communicating the liberating gospel of grace to others, living lives of compassion within and outside the walls of the church, all in an environment of creativity and calling.

Exploring, Experiencing, Expressing God's Grace

# Extravagant Grace

Welcome to Woodmen!

Woodmen Valley Chapel (WVC) is one church with multiple locations, Rockrimmon and Woodmen Heights. You will notice as you worship with us today, that while we have pastoral and worship arts teams at both locations, our communities are connected via live video-cast in order to worship together as one church body on both sides of the city. Although geographically separated, both communities are expressions of WVC in every way: the vision, the passion and the invitation to live authentically and abundantly through faith in Jesus Christ.

# Extravagant Grace

## Part 5: Expressing His Grace (2 Corinthians 6:1)

**October 22/23, 2011 • Senior Pastor Matt Heard**

At Woodmen we believe God has called us to “launch and strengthen a fleet of Christ-following communities who are compassionately sailing through a turbulent culture toward a deeper amazement of God’s grace.”

Amazement over the grace God has exhibited toward us through Christ is what feeds our response and our submission to Him. He took the first step toward us and our response of amazement to His graciousness is what should fuel our lives, our relationships, our fulfillment, our obedience and our stewardship of everything He’s given us.

But what’s so amazing about God’s grace? There are tons of potential answers, but one would be His posture toward us in the midst of that grace. God’s grace could be summarized as Him giving us not what we deserve but what we need. Our rebelliousness toward His loving and freeing rule in our lives is pervasive, touching every aspect of our journey. And we fully deserve to experience the consequences of our rebelliousness to His rule. However, He has opted for a different posture than giving us what we deserve. He lovingly and graciously gives us what we need. And more.

The book of Ephesians tells us that God has chosen to adopt us back into His family and that action results in “the praise of his glorious grace, which he has freely given us in the One he loves. In him we have redemption through his blood, the forgiveness of sins, in accordance with the riches of God’s grace that he lavished on us with all wisdom and understanding.” (Ephesians 1:6-8)

In that passage, there is a unique and powerful word Paul uses to describe what God does in His grace toward us: He *lavishes* us with it. The Greek word behind “lavish” is a word packed with stunning overtones and appears numerous times in the New Testament in descriptions of God’s grace. It invokes concepts like *abundance* (even *superabundance*), *excessive*, *more than enough*, *overflowing*, *extravagance* and, yes, *lavish!*

That’s why, in chapter 3 of the same letter, Paul says, “Now to Him who is able to do immeasurably more than all we ask or imagine . . .”

Too often, we have the opposite understanding of God. Religiosity sets us up to, at best, nervously and exhaustingly hope that we can eek out some sort of approval and favor from Him, earning it by our good works and behavior. Actually, that will never happen because our works will never bridge such an infinite gap. But, tragically, even in the face of the gracious gospel of Christ’s sufficient work on the cross on our behalf (which does indeed bridge the chasm!), we still stubbornly hold onto that attitude — and it’s rooted in a misunderstanding of God’s nature and His posture toward us.
