

# Our Vision

To launch and strengthen a fleet of Christ-following communities who are compassionately sailing through a turbulent culture toward a deeper amazement of God's grace.

Three Implications of Our Amazement  
(Indications of the Amazement we already have, as well as catalysts for deeper amazement.)

## Exploring

If we are amazed, we will **Explore** God's Grace through digging into Scripture and applying it to the story of our personal and corporate journey.

## Experiencing

If we are amazed, we will **Experience** God's Grace through acknowledging our desperation and submitting it to the forgiveness and power of His intervention through Christ, resulting in an authentic relationship with Him as well as others in community, and experiencing daily transformation as a result.

## Expressing

If we are amazed, we will **Express** God's Grace by fully engaging with life, worshipping on an everyday basis, communicating the liberating gospel of grace to others, living lives of compassion within and outside the walls of the church, all in an environment of creativity and calling.

# Welcome to Woodmen!

Woodmen Valley Chapel (WVC) is one church with multiple locations, Rockrimmon and Woodmen Heights. You will notice as you worship with us today, that while we have pastoral and worship arts teams at both locations, our communities are connected via live video-cast in order to worship together as one church body on both sides of the city. Although geographically separated, both communities are expressions of WVC in every way: the vision, the passion and the invitation to live authentically and abundantly through faith in Jesus Christ.

## If you're new to Woodmen...

We'd like to greet you personally and answer any questions you may have, as well as offer you a special 'thank you' gift for making Woodmen part of your weekend. Guest Central is located on the lower level of the Worship Center at Rockrimmon or in the Atrium at Woodmen Heights.

*The Woodmen Journal* is our bimonthly magazine filled with stories about what's happening to and through our community.
