

*For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.*

*Ephesians 2.10*

## First Serve

Do you want to find a place to serve, but don't know where to start? Are you hesitant to make a long term commitment because you don't know if it would be a good fit? What if you could "test drive" a ministry opportunity?

We have created First Serve opportunities to allow people to jump in and try something once...simply volunteering one time. If it's a fit, then you have found your place to serve. If it doesn't fit for you, then try another First Serve. Our desire is to see you doing what God created and prepared for you to do.

So just jump in and discover what God has in store when we serve others instead of ourselves!
